Ray Williams is one of our Lyons candidate for the Shooters, Fishers, and Farmers Party. Williams has a deep connection with farming, influenced by family experiences during the 1929 depression. With a diverse background within the Lyons electorate, including banking and running a family-owned business, Williams Outdoors Ray emphasises being a genuine people representative. Active in various roles, from Councillor to club president, he highlights his cooperative approach and ability to work effectively with different groups. Williams is particularly proud of his involvement in outdoor activities, understanding the concerns of hunting and fishing communities.
